MULTI-LEVEL RISERS

Great starter kits, modular risers and surfaces, make for mix and match pieces from the Rosseto® line of fully compatible and configurable risers, surfaces, platters, warming stations, cooler trays and more.

Multi-Level Risers, and Surfaces are fantastic when you just need a small food station, for a breakfast buffet, a boardroom lunch, or in conferencing, and the beauty of using Top Shelf Concept's Rosseto® range, is that you can transform using the same for your lobby, or mini bar, right the way through to a buffet. Effectively use space with vertical and horizontal serving.

Food Safe surfaces that can be easily refreshed. Elements that can be combined to suit different styles and spaces enabling you to maximise your buffet presentation.

Rosseto® Skycap® 10 Piece Black on Black Riser Kit

Standing out is easy with our Rosseto® Skycap® 10 Piece Black on Black Riser Kit. Each set includes 3 matte multi-level risers, 3 square tempered glass surfaces, 2 large rectangle tempered glass surfaces and 2 smaller rectangle tempered glass surfaces to give you more custom combinations. The possibilities are endless!

SK022

Endless vertical and horizontal possibilities exist with the risers and surfaces, while choosing between our functional tabletops, to warming, cooling, bar presentation and serving. Pick your colour, material and finishes to create a system that will keep impressing your guests.

TABLETOP

Food Presentation is important. Contemporary in design our new tabletop ranges will impress your guests in a stylish and elegant way.

Form, function, and fashion all come together with our creative tabletop solutions all designed to serve the hospitality industry needs while enhancing tabletop presentations and delighting customers.

Creative tableware that makes a statement. Showcasing distinctive on-trend finishes. These stunning plates are perfect for enhancing your guest experience

Elevate any dining experience with these new porcelain dinnerware collections, featuring distinctive organic and embossed designs in both plates, and bowls.

The new collection of crockery from TSC Dining is cause for excitement in the hospitality world. Quality flat plates, walled plates, round bowls and pasta bowls are a speciality. They excel in simplicity and functionality. Directly inspired by the plating of food, with varying sizes to suit the requirements of cuisine professionals. Commercial grade crockery that has the reputation of enduring to the toughest environments. Quality, design and performance with no chip technology.

Mix and match to create unforgettable experiences. Tableware that sets you apart. They are a versatile selection that complements both formal and informal dining experiences.

TSC Dining porcelain has blended traditional craftsmanship and an aesthetic approach with contemporary production techniques to produce beautiful designs combining texture, colour and a one-of-a-kind tabletop range with confidence, strength and durability.

The quality of perfect porcelain is assured with the TSE and ISO 90001 Quality Assurance Standard.

Use our collections to provide you with a canvas for creating culinary masterpieces.

Need anything? Reach out to our team.

NEW

Accessorise your tabletops with these unique bowls, platters and boards. At first glance these boards look like real wood, granite and marble serving pieces. But look closely, they're actually food safe melamine. A high-end look that will turn heads. Fantastic for poolside events. Our rustic melamine serving boards feature inconspicuous feet for convenient serving. Warm wood-like tones make this collection a casual way to elevate breakfast buffets, catering, room service/in-room dining, poolside events and more.

They are used in every stage of the food preparation and presentation process. With gastronorm pan sizing, these resin/melamine food pans offer an upscale, attractive alternative to stainless steel food pans, and are durable, practical, and an inexpensive addition to any buffet, or presentation.

VINTAGE RANGE

These beauties look great, and super easy to clean and maintain. Set the stage and dress up any dish in need of an accompaniment. Add flair and fun to your venue. Perfect for pubs, grills, fast-casual burger presentation. Durable, dishwasher safe stainless steel. Simple, highly effective, and aesthetically pleasing equipment built to last. Small and stylish, our Vintage collection is ideal for dips, condiments, bite size snacks and desserts. Use the pieces together as an elegant buffet or canapé serving solution or use individually as side dishes.

CUSTOM BRANDING

Brand your Style with Customised products.

Interested in working with us to design your own exclusive range for hospitality?

Enhance your image with customised solutions in food presentation, partner with us to design a collection customised with your branding.

In today's competitive marketplace it's important to put your brand in front of your clients. By customising your products you will promote your brand with unforgettable experiences.

We offer you a large assortment of products with excellent printing quality. From food papers, skewers, placemats, table covers, napkins, coasters, tablecloths and all the products related to the hotel, catering, and restaurant industry.

We have developed advanced solutions to help you save time and money with our custom greaseproof that will add real impact to your food presentation.

Small details differentiate your brand from competition. Be different and set your brand apart.

- Branding Irons
- Food Paper
- Glassware
- Coasters
- Skewers
- Tablecloths
- Placemats
- Coffee Cups

LOOKING FOR SOMETHING? ASK US!

CUSTOM FOOD SAFE PAPER

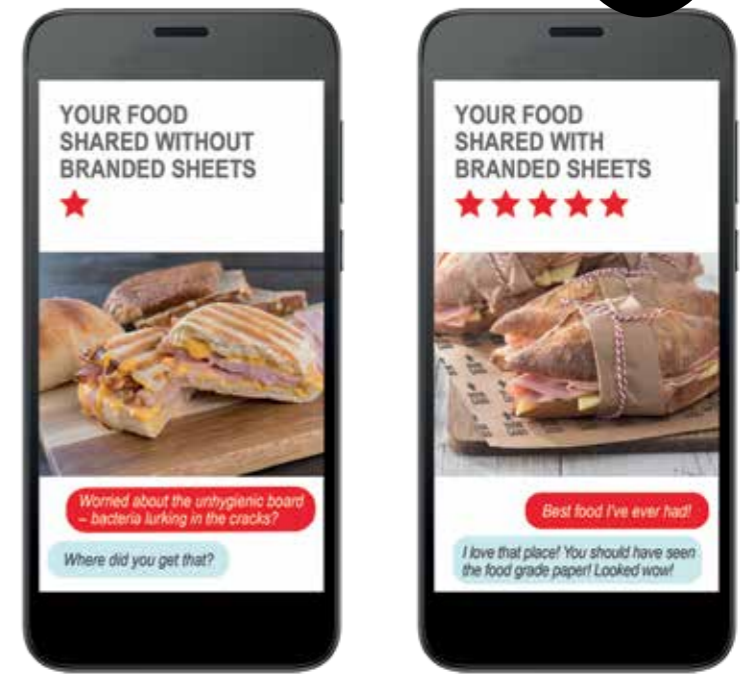

Delight guests with eye catching designs.

Our paper is entirely food safe. The paper is sourced only from virgin pulp and printed with food safe ink, which means food can be placed directly on the paper.

- Short Runs
- Affordable
- Fast Delivery - Printed in Australia.

Our multi-purpose paper is available in white and custom printed in any colour, size and in the design that you choose! Our top-quality food grade paper is compostable, biodegradable, and recyclable printed with food grade ink that ensures you are food safe. They are made naturally without coatings enabling them to be used in the oven, microwave, and freezer. Line buckets, boards, chip cones, trays & baskets, wrapping food, or takeaway containers, TopStyle has you covered. Specially manufactured food safe papers are compostable, biodegradable, and recyclable. Use in the oven, microwave, freezer.

FOOD GRADE WAX PAPER

It's Easy to Order.

- 
 - White biodegradable paper.
 - Decide what size you want.
 - Decide what quantity you need.
- 
 - Multiple colours allowed in your design.
- 
 - Get a price, Place your order.
 - Send your Artwork.

Tailored for your brand

Looking for more customisation options? Unlock custom sizes, shapes and colour options. Food safe Paper has a thickness of 38gsm (comparable to baking parchment), which allows it to be flexible enough for presentation, yet sturdy enough for performance.

Clean, Crisp & Creative

Personality-filled presentation while preserving freshness and resisting grease is easy with this customisable range of food paper.

Do you need a stylist? Are you looking for the wow factor at your venue?

We can help you be competitive using a variety of prop selection to add visual appeal to meet your needs and budget. We have attention to detail to make your hotel stand out from the crowd.
