# Patty Pans

Confeta is internationally known for our baking cups, also known as “Patty Pans” in Australia. Our Patty Pans have been the preferred choice of Australian bakers, cake decorators and confectioners for the last 75 years.

All our Patty Pans are proudly Australian made, using the finest quality natural greaseproof papers and food-safe printing inks. We have a Patty Pan to suit all standard metal pan-ware used by the trade.

In the baking industry, innovation is the key to success and Confeta are here to assist with your endeavours to be the best – Subject to our standard manufacturing minimums we can custom-make any size and print to your specific requirements.

and Width of Flat Paper

# Pan Liners

Pan Liners are used by commercial bakers for large scale production. The liners are easily denested by hand or mechanically for rapid positioning and filling of bulk baking trays and auto bake lines.

Made with the highest quality greaseproof paper these liners offer significant marketing benefits when custom printed with your brand or logo. Also available in our standard range of coloured greaseproof papers.

# Tulip Cups

Confeta innovated the Tulip Cup early in 2002 and has not stopped since. Over the years we have developed a comprehensive range of sizes and styles to suit various baking needs. Perfectly folded every time, our Tulip Cups are preferred by bakers Australia wide.

In addition to our extensive range of stock prints and sizes, Confeta has the capability to customise sizes and print your logo or design to achieve maximum marketing impact and add value to your business.

# PROMOTE YOUR BUSINESS WITH CUSTOM PACKAGING

Our team of in-house packaging designers can assist in transforming your everyday packaging into advertising for your business. Being a local manufacturer, Confeta has the ability to design, prototype and manufacture packaging to suit your business' needs, with short turnaround times. Whether it be a custom print on any of our generic products or bespoke shapes, sizes, prints and finishes, Confeta is your expert partner to help design the right packaging for you.

# Food Trays

Our food trays are known for their quality, Australia-wide. Perfect for a variety of applications, our trays come flat-packed with quick and easy to fold tab-locks and available in a range of materials to suit your business.

Confeta also offers a range of pre-glued trays for those who have the space to store.

If our stock standard trays don't work for you, enquire on how our team can assist with designing and prototyping the right tray to suit your needs. As with all Confeta products, the addition of custom print only helps advertise your business further.
