

# VICTORINOX

From the table to the countertop to the kitchen island, our extensive cutlery selection spans culinary companions, professional knives and blocks. So it's really cutlery in all its guises. From everyday dining tools to bread and baking knives and the most effortless blades for serving steak at the table. For cutlery that breaks the mould and truly knows no limits: look no further. Introducing our compact collection of kitchen knives: crafted with the same precision, impeccable attention to detail and multi-functionality as our original Swiss Army Knife. Dexterous, ergonomic and universally adaptable, they are set to the symbol of a cutting edge kitchen. With ergonomic handles and premium-quality blades, they're always a cut ahead. Across all of our products, Victorinox stands for innovation. We use cutting-edge technology and materials to create better products, to add functionality and to increase durability. In the course of over 130 years, Victorinox has amassed a great deal of expertise. Our insider secrets and knife skill tips will help your mastery of these essential kitchen tools and take your ability to the next level.
