

Swissmar have been in operation since 1983, starting business in Canada and four years later breaking into the US market. Now 40 years later, Swissmar is now sold in over 20 countries around the world and is still growing. Swissmar are known for their homewares, notably fondue sets and raclettes, cheese knives, accessories, salt and pepper mills and kitchen tools.

In 1985 Swissmar first began importing raclettes from Switzerland. With tenacious determination to perfect this appliance, a Swissmar brand raclette was created. Non-stick cooking surfaces, reversible grill top, non-stick raclette dishes with heat safe handles, temperature controls and more, making it so easy to share delicious raclette with friends and family.

Swissmar Fondues offer the utmost in versatility, ideal for meat, cheese and chocolate fondue. Swissmar also do a range of chocolate fondue sets that are perfect for dinner parties as it is practically effortless to prepare and your guests can participate and enjoy a fun and delicious chocolate dessert at a relaxed pace.

Swissmar has been in the mill business for over 25 years. We have a diverse assortment of mills, made from a number of beautiful timbers, stylish stainless steel, marble and high quality acrylic. These quality mills are classic and useful for every day dining.

Swissmar Classic Peelers use premium Swiss-made blades in scalpel, serrated and julienne. These blades thinly peel hard fruits and vegetables like potatoes, carrots, apples, cheese and more.
